Replace Popular GM Starters

with one that is Smaller, Lighter & Stronger!!

Recommended upgrade for better performance on many applications.

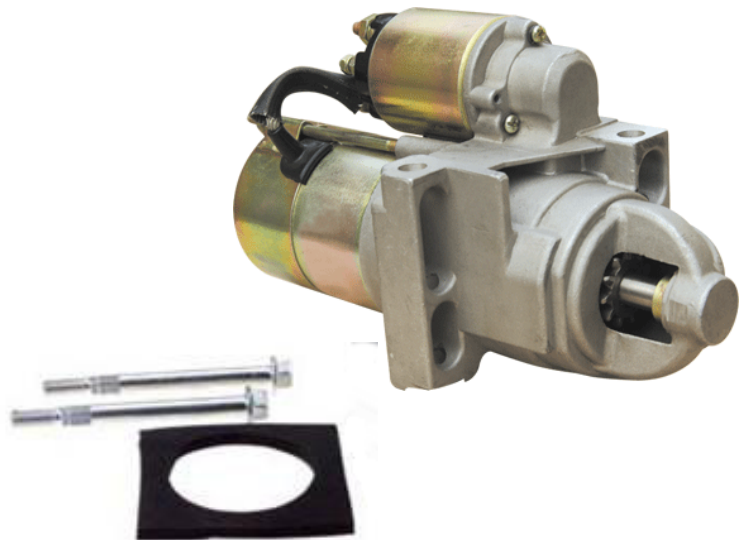

Part # 3631GRN

Replaces part No. 3631 & 3838

Used On:

**Chevrolet Small Block or Big Block V8
Engines w/ 153-Tooth Flywheel**

Part # 3510GRN

Replaces part No. 3510 & 3510M

Used On:

**Chevrolet Small Block or Big Block V8
Engines w/ 168 Tooth Flywheel**

Benefits:

These starters provide a 50% weight reduction and require less cranking amps while cranking with twice the torque!

Because the PMGR starter is a smaller size, it provides better header clearance and reduces the effects of a hot start.
